

# SACRAMENTO COUNTY

## Do you know that your child still has dental coverage?

Your child is moving from the **Healthy Families Program** into Medi-Cal and now has dental coverage through the Medi-Cal Dental program!

### What is the Medi-Cal Dental program?

The Medi-Cal Dental program is the part of the Medi-Cal program that will provide dental benefits for your children who have been covered by the Healthy Families Program.

### Who is covered?

All Healthy Families Program children up to their 19<sup>th</sup> birthday who are moving to Medi-Cal are covered. After their 19<sup>th</sup> birthday they may be eligible for other Medi-Cal programs.

### For families living in Sacramento County:

If your child is enrolled in Access Dental or Health Net of CA through the Healthy Families Program they will stay in the same dental plan in the Medi-Cal Dental Program. If your child is not in one of these dental plans, they will automatically be enrolled into a similar Dental Managed Care plan. Either way you can choose to change your child's dental plan by contacting Health Care Options at 1-800-430-4263. Please see below for the dental plans available in Sacramento County.

### What services are covered?

The dental benefits available to children in the Medi-Cal Dental program are very similar to those in the Healthy Families Program and include:

- Exams and preventive services including cleanings, fluoride treatments and sealants
- Fillings
- Root canals
- Crowns
- Relief of pain and infection

*Please check with your child's Dental Managed Care plan about what benefits are available.*

### How does my child get the dental services they need? (Checklist)

#### Your checklist to get dental services
